Binary Structures

Build **Two** Teams!

Be sure to have a **Left Team** and a **Right Team** so you can qualify for NPUSA's Compensation Plan.

What is a Binary Structure?

The binary structure is defined as a Network Marketing compensation plan that consists of two teams or lines (left team and right team) under every Affiliate. Upon adding team members, a binary structure gets formed.

Placement Rules

Default Placement Rules

Leaving placement up to the system's automatic selection process is set up by filling the left team first, continuing on with the right team thereafter and so on.

- ▶ If both teams have the same number of positions filled, the Left Team is automatically selected.
- ▶ Determine the Level closest to the Sponsor that has available positions.
- ▶ If there are multiple positions available in the same Level, the position with the smallest number will be automatically selected.
- ▶ Each Level will be filled before moving to the next Level when using default placement.

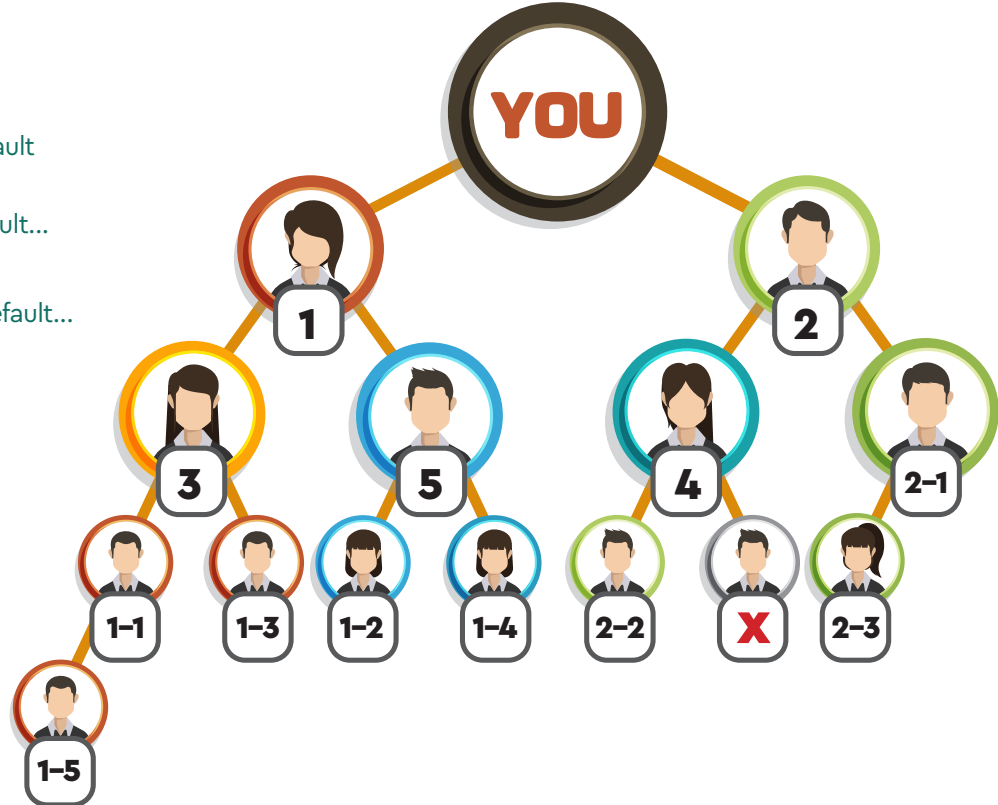

Placement Rules

Placement Examples

EXAMPLES

- ▶ **Example #1: "If"**
You sponsor five friends using default
- ▶ **Example #2: "Then"**
(1) sponsors five friends using default...
- ▶ **Example #3: "Then"**
(2) sponsors three friends using default...
- ▶ **Example #4: "Then"**
You sponsor "X" using default...

Placement Rules

Manual Placement Rule

If you want to use manual placement, you will need to use Sponsoring Setting.

Retail Profit

Earn the Difference from Customer Purchases

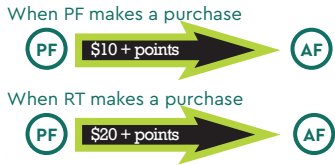

Calculated Weekly

The Retail Profit Bonus is the easiest part of the Business Plan to understand. It's similar to the transactions you have with a typical retailer, and embodies the low-risk, revolutionary NPUSA business model. Thanks to the Internet, this retail opportunity offers your customers convenience, flexibility and simplicity. Hence, this retail bonus is the simplest and most organically earned.

REWARD: \$10-\$20 plus points

- ▶ For every product purchase made by Retail & Preferred Customers, the sponsoring Affiliate can earn the difference.

- AF** AFFILIATE
- PF** PREFERRED CUSTOMER
- RT** RETAIL CUSTOMER

Product purchases made by Retail or Preferred Customers are completed through your Marketing Site or their (Preferred Customer's) Back Office.

PLACEMENT

- ▶ Only Affiliates and Preferred Customers are placed in the matrix.

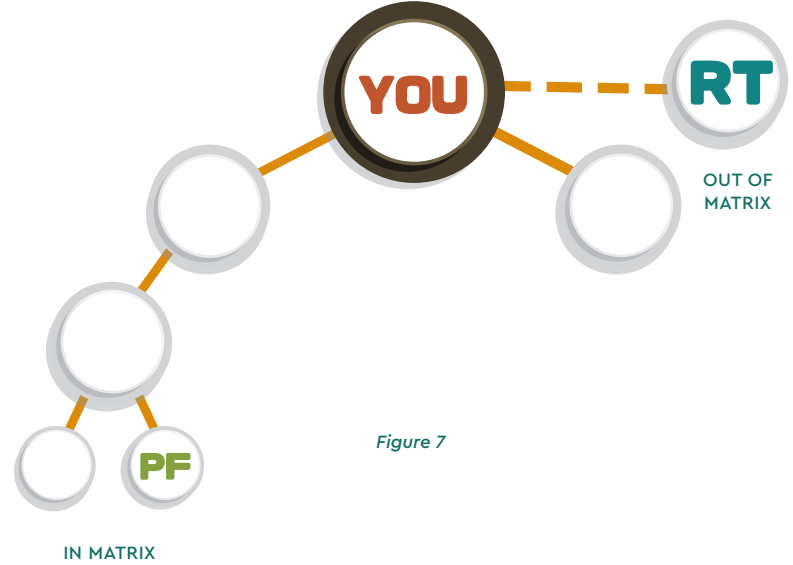

Figure 7

Day Cycle Bonus

A Pay Day Every Week With This Bonus Structure

Calculated Daily & Closed Weekly

At first glance, the Day Cycle Bonus may seem complicated, but it's easier to understand than you might think. Essentially, this reward structure pays you a \$50 increment (up to \$24,000 per month) after you achieve a threshold. The "threshold" means that you have accumulated the necessary Points to receive a \$50 payment.

REWARD: \$50 each threshold

- ▶ Earn \$50 for accumulating the required Points in each Team (Left & Right).
- ▶ The first \$50 is earned by accumulating 400P in each Team.
- ▶ \$50 is earned thereafter by accumulating 300P in each Team.
- ▶ If Active PSP is one, after accumulating up to 1300P in each Team (Half Cycle), you start over by accumulating 400P for the next \$50.
- ▶ If Active PSP is more than two (2), \$50 earned for each 300P per Team until 2500P have been reached (Full Cycle).
- ▶ Paid second Wednesday from Closing Date. (Commissions are calculated and processed for Payment the 2nd Wednesday).

REQUIREMENTS

- ▶ Be Qualified

▶ BOTH Teams accumulate the necessary Points for payout.

Left Team	Right Team	Pay Per Achievement	Total Paid	
400P	400P	\$50	\$50	
700P	700P	\$50	\$100	
1,000P	1,000P	\$50	\$150	
1,300P	1,300P	\$50	\$200	HALF CYCLE
1,600P	1,600P	\$50	\$250	
1,900P	1,900P	\$50	\$300	
2,200P	2,200P	\$50	\$350	
2,500P	2,500P	\$50	\$400	FULL CYCLE

Figure 8

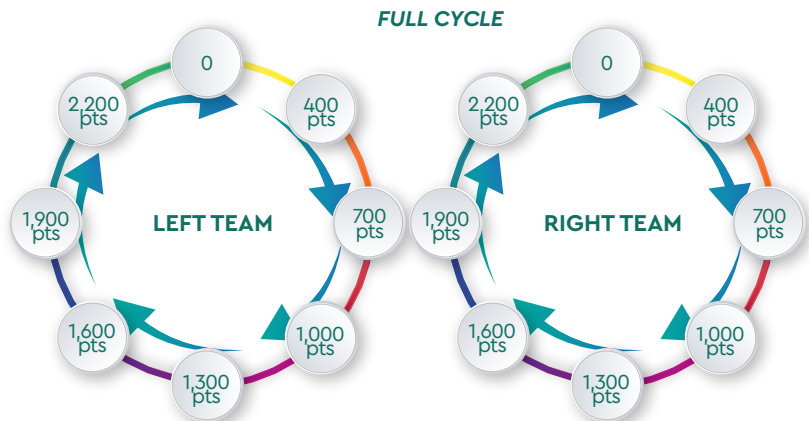

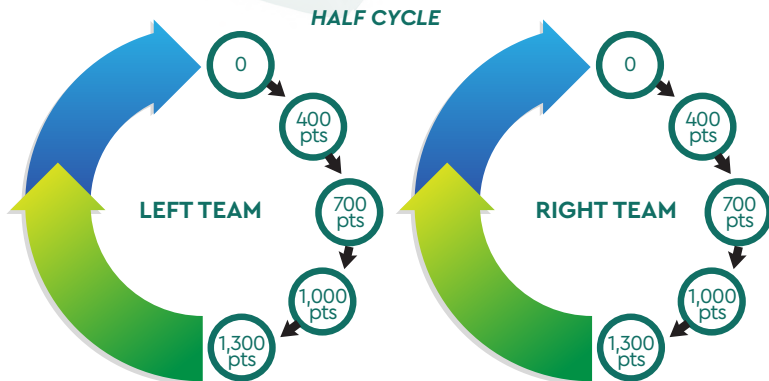

Day Cycle Bonus Summary

As you get the hang of the Day Cycle Bonus, you will need to keep a closer track of who is buying Product on which day of the week. The bonus is calculated daily, so to maximize your earnings, you will want to distribute each product purchase as evenly as you can throughout the week.

Number of Active PSPs	Max Points Paid Out Per Day	Max Payable Per Day	Max Points That Can Be Carried Over Per Day
0	0	0	0
1	1,300P	\$200	2,600P
2	2,500P	\$400	5,000P
3 or more	5,000P	\$800	10,000P

In order to carry over any previous points, you must maintain at least one active PSP for each entire month and/or term (every day).

IMPORTANT: You need 1 PSP to get points. But if you want to achieve the Full Cycle, you need to have 2 PSPs.

Leadership Bonus

Helping Others Helps You Achieve More

Calculated Daily & Closes Every Friday

Every time one of your PSPs achieves a Full Cycle, that PSP receives a total of \$400. That is \$50 multiplied by those eight Thresholds that the PSP reaches during the Full Cycle. As a result, you then receive a bonus! For each Full Cycle attained by your PSP, you get a payment equal to 25% of that \$400. In other words, you get \$100 each time your PSP achieves a Full Cycle.

REWARD: \$100

- ▶ Receive a bonus of 25% for each Full Cycle achieved by your PSP.
- ▶ Paid every second Wednesday from closing date (*note: unless this Wednesday falls on a federally-observed holiday, then the payment will be on the second Thursday*).

REQUIREMENTS

- ▶ Be Qualified
- ▶ A PSP achieves a Full Cycle

$$\text{PSP} + \text{FULL CYCLE} = \text{YOU} \ \$100$$

EXAMPLES

- | | | | |
|-----|----------------|-------|---------------|
| (A) | \$400/Month | ▶ 25% | \$100/Month |
| (B) | \$4,000/Month | ▶ 25% | \$1,000/Month |
| (C) | \$2,000/Month | ▶ 25% | \$500/Month |
| (D) | \$24,000/Month | ▶ 25% | \$6,000/Month |

* Pooled Bonuses are individual and as Affiliates advance through bonus qualifications, amounts reflected are *in addition* to each new achievement level that is unlocked.

The above statistics reflect all compensation-bonuses and commissions from March 1999 to December 2022. Cash values of any prizes or incentive trips paid to Naturally Plus Affiliates are not reflected. Income paid in Japanese Yen has been converted to US dollars at the conversion rate of 1 USD = 139 JPY (current market rate). In the chart above, "Affiliate" denotes a Naturally Plus Affiliate who is qualified to earn a monthly commission, but has not earned the following bonuses: Frontier, Spirit, Upper Spirit, Grand Spirit, Star, Summit, Million Dollar Earner, or CFC. Affiliates who have not qualified to earn a monthly income are excluded and are considered to be Customers who purchase products for their own consumption at the Affiliate discounted rate. If a Naturally Plus Affiliate earns the Frontier Bonus or higher, then the chart above lists information for that individual's highest bonus or title. This chart excludes Retail-Only Customers and Preferred Customers. The youngest and eldest ages listed above represent the age of the Affiliates at the time of bonus achievement. Ages are provided for informational purposes only. Naturally Plus does not discriminate based upon age. Affiliate earnings in this statement do not necessarily represent income that a Naturally Plus Affiliate will earn by participating in the Business Plan. Individual success depends on specific skills, effort, and market conditions. Some of these factors may be outside of your control. Naturally Plus does not guarantee any level of income or your individual success.
